

REUSABLE PRODUCTS / HALF MASK

BLS 4000 SERIES

Available in two sizes /

Features /

01

FACEPIECE

Available in soft thermoplastic rubber (4000 R) or silicone rubber (4000 S) for better comfort and perfect fit.

02

FILTERS FITTING

The bayonet fitting system (b-lock BLS technology) provides a quick and safe filter attachment.

03

HARNES

Attached to the rigid body of the half mask by 4 fixing points, does not mark the user's face. Micrometric adjustment for a simple and comfortable fit.

Quick & easy cleaning /

Innovative feature!

Half mask 4000 series can be disassembled in less than a minute. **This way, cleaning is quicker and easier.**
